

ENGLISH

This term our text in English is 'Kensuke's Kingdom'. We will be looking at character and setting descriptions, including creating our own mythical creatures.

GEOGRAPHY

Our topic this term in Geography is 'Around the World'. We will be researching different continents/countries and learning about their capital cities, landmarks and geographical location.

MATHS

Maths will begin with Number and Place Value - reading, writing and comparing up to 7-digit numbers, as well as applying written methods of addition, subtraction, multiplication and division. Reasoning and problem solving skills will be utilised throughout each week.

SCIENCE

We will be learning about 'Living things and their habitats'. This will involve classifying living things into groups according to their similarities and differences, including micro-organisms, plants and animals.

Are there any parts of the world yet to be discovered?

ART / DT

We will be learning about our class artists, their most famous pieces and creating our own interpretations. We will also be commencing our Enterprise Project this term which is linked to our class artists and Topic.

PSHE

Across the school we follow the PSHE scheme 'Jigsaw.' Our first topic is 'Being me in my world' where we will be looking at setting personal goals, rules and understanding our own and others actions.

THINGS TO REMEMBER

- PE lessons take place on a Monday, Wednesday and Friday - please ensure full PE kits are in school.
- Pupils are expected to have read at least 4 times a week and recorded in their reading records.
