

English

This term we will be continuing to read 'The BFG'. Pupils will be writing a wanted poster, an adventure story and a poem. Why not try writing your own adventure story at home?

Thank you to all of you who are regularly reading with your children, it really has a positive impact on their fluency, expression and wellbeing.

Maths

In Maths this term pupils will be developing their ability to tell the time and also learning about fractions.

Children will be focusing on the 2, 5, 10, 3, 6 and 8 times tables. Do support us by practicing times tables with your children.

Please continue to help by asking your child to tell you the time.

Year 3
Term 4

Science

In Science pupils will be exploring Light and Shadows. Children will be learning about different types of mirrors and their uses, how shadows are made and about the inventor Thomas Edison.

Why not use a torch and see which materials allow light to pass through?

Art/DT

Our topic in Art this term is collage. We will be exploring different materials such as tearing, overlapping and layering to create images and represent textures. Children will also use collage as a means of collecting ideas and information and building up a vocabulary.

Try making your own collage at home!

Humanities

Children will be learning about Europe. They will be discovering which countries make up Europe, focusing on a particular country from each part of Europe.

Why not have a go at exploring Europe on Google maps?

RSHE

In RSHE this term, we will be focusing on being healthy. Children will be understanding how exercise affects their bodies, as well as understanding how to keep your body healthy.

RE

This term in RE we will be learning about what Hindus believe God is like. Our RE drop day will be on the Wednesday 29 March 2023.

Computing

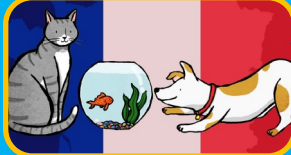

In computing, children will be exploring emails on Purplemash and continuing to learn how to touch type.

Our digital day will be on the Friday 31 March 2023.

French

This term children will continue to learn French using the Language Angels programme. We will be learning the names of animals in French, as well as being able to name basic food.

Music

In music, pupils will continue to develop the skills that are needed to become a musicians, as well as experimenting with tone and rhythm.

Why not try making up your own song?

Year 3 Termly Reminders

PE will be on a **Tuesday**. Please send your child into school wearing their PE kit.

This term's PE focus will be Gymnastics.

Reading As part of the home-school agreement we ask that children read at least 5 times a week and this is signed in their reading journal.

Home learning

We ask that children read at least 5 times a week and they complete their allocated nuggets on the learning platform Century.
