

English

In Term 5, we will be reading 'Varjak Paw' by S.F Said, an adventure book about a Mesopotamian Blue kitten who learns the way of Jalal.

In our writing this term, we will be writing a narrative, a formal letter and a non-chronological report.

Maths

At the end of Year 4, the children will be sitting a times table check. It would be fantastic if you could support your child in learning fluently their times tables to 12 x 12. A useful website to support with times table practice is www.timestables.co.uk

In our Maths lessons this term we are learning measure, area and perimeter and shape.

Year 4
Term 5

Science

Science this term is all about **Sound**.

We will be exploring how sound is made, how sound travels and how we can change pitch and sound.

Art/DT

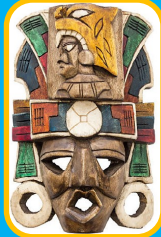

In art this term we will be learning about Food Technology with a focus on Chocolate.

We will be developing our mathematics and science knowledge to help design and make products, looking at different ingredients and where chocolate originates from.

Humanities

This term, we are learning about the Maya Civilization. We will be taking a look at where they lived, what they believed in, what they ate and eventually, what happened to them.

RSHE

In RSHE the children will be discussing relationships, with both people and animals. As well as discussing love and loss.

This will be an excellent opportunity for pupils to develop confidence and discussion skills when speaking and listening.

Year 4 Termly Reminders

PE will be on a **Friday**. Please send your child into school wearing their PE kit.

This term's PE focus will be on Tennis and Football.

Reading Reading Records will go home and need to be returned **daily**. As part of the home-school agreement we ask that children read at least 5 times a week and a response is recorded in their Reading Record.

RE

In RE Term 5, we will be focusing on Judaism. Children will be exploring Jewish festivals, family life for a Jewish person, what being Jewish means to someone and learning about Passover.

Computing

Our topic for Term 5 in our computing lessons is Animation. We will be exploring how to Animate an object, the tools that can be used on 2Animate as well as creating an animation using Stop Motion.

French

This term in French we are developing our oral French skills on our new platform, 'Language Angels'.

To practice at home, have a look at this website: <https://classroom.thenational.academy/subjects-by-key-stage/key-stage-2/subjects/french>

Music

Building on the success of music last term, we will develop our vocal talents and add to our repertoire. This term we will be continuing learning the **Ukulele!**

Home learning

Your child is expected to complete **3 'nuggets'** (pieces of work) on Century **per week**. This is compulsory.

We also expect children to be accessing **TimesTables RockStars** **once each week**.
