### Overview of the card system

All children start the day on Green. Teachers will use the yellow or red card system to indicate the severity of an incident to a pupil.

- Children will be encouraged to **'turn their behaviour around and return to Green'** If this happens then the yellow card will be changed to green. This encourages resolution behaviour and promotes positive learnt behaviour.
- Children who excel will be awarded the **Gold Card**.
- Children who finish a session on a yellow card will miss time from their break. Their card will then be turned green.
- Children who receive a red card will be spoken to by a member of the leadership team and miss 15 minutes of their break or lunchtime. Parents of children with red card will be phoned by class teacher on the day.

**Lunchtime:** Yellow card will mean 5 minutes timeout. Red card will mean removal from playground by senior leader. Parents of children with red card will be phoned by class teacher on the day.
