Lets talk Reading!

Reading at home Thank you for your continued support with reading at home with your children. Please keep this up and record in their reading records or post-its for reading journals.

This term our focus in school has been all around reading. Both learning to read but also reading to learn. We have looked at reading across the whole curriculum and the importance of reading as a key life skill.

Fostering a love for Reading.

Reading for Pleasure is shown to have an impact on the reading ability of children. Picking up a book that makes you smile, laugh or even cry; triggers our emotions and takes us on a journey with the characters is a wonderful thing! Reading to your child, books that you loved as a child, is a great way to show them how reading can play an amazing part in their childhood too.

Reading Records and Reading Journals

EYFS and KS1 have Reading Records that we ask parents to record in when you listen to your child read. These should be returned daily.

KS2 have Reading Journals that children record in whilst at school. These will be brought home weekly for parents to record in also.
