

## Year 1 Termly Reminders:

Term 3 **PE** will be on a Friday. Please send your child into school wearing their PE kit.

**This term** we will be learning about how we can show increasing control over an object whilst throwing and catching. In addition we will start to link skills to perform actions and sequences of movement.

**Reading Records** will come home daily. As part of the home-school agreement we ask that children read at least 5 times a week and a response is recorded in their Reading Record.

**Home learning** this term, we ask that you complete at least 30 minutes of *Mathletics* and *Reading Eggs* each week. *In addition, please work on telling the time, on an analogue clock, throughout the day with your child (o'clock and half past only).*

## Year 1 Term 3

Transport and  
Travel

Curriculum and  
Home learning  
Leaflet

## English

In English we will be reading Naughty Bus and Mr Gumpy's Motor Car.

We will be focusing on writing a simple sentence including an adjective in story writing and instructions.

Please encourage your children to practise handwriting and Year 1 common exception words at home making sure they form their letters correctly.

## Maths

In Maths we starting to time, including sequencing and reading an analogue clock (o'clock and half past).

We will also be continuing with addition and subtraction strategies using a part whole model, as well as developing our understanding of numbers up to 50.

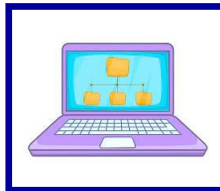

## RE

Term 3 our RE drop day will be on **7th February** and our religion of study will be **Judaism**.

## Computing

This term the children will continue to become confident using a computer.

We will also explore pictograms and simple algorithms.

## Science

In science this term we will be learning about Amazing Animals.

We will be exploring the five classes of vertebrate animals, and comparing animals from different categories.

We launch this exciting topic with an experience dress up day on Friday 7th January 2022.

## Design Technology

This term we will be designing, building and inventing based on our topic of travel.

We will be using sliders, wheels, axels and levers. We will also be constructing using different techniques.

Look out for our creations!

## RSHE

This term we will be focusing on 'Goals and Achievements'.

We will be considering how teamwork can help us reach our goals and how to overcome new challenges or obstacles.

## History

This term in Humanities we will be learning all about Transport.

We will be discussing how transport has changed over the last 200 years.

Each week we will focus on a different type of vehicle, from cars to boats and planes. We will even have a go at inventing our own vehicles of the future.

## Music

We will be developing our understanding of rhythm as well as differentiating between pulse and rhythm through the use of body percussion. In addition, we will continue to work aurally to developing our memory skills and inner hearing.
